THE HON'BLE SRI JUSTICE L.NARASIMHA REDDY

WRIT PETITION No.12816 of 2007

O R D E R:

The petitioner was awarded the contract of maintenance of sub-stations at Ghantasala and Koduru Villages of Krishna District. According to the terms of contract, the petitioner had to engage the trained workers, to operate the sub-stations and it would be the duty of the petitioner to pay salary to the workers engaged by him. The grievance of the petitioner is that the respondents are compelling him to take certain workers identified by them.

Heard the learned counsel for the petitioner and the learned Standing Counsel for the respondents.

A perusal of the terms of the contract entered into between the petitioner and the respondents discloses that it is the obligation of the petitioner to engage workers and pay wages to them. The contract does not provide for selection or engagement of persons by the respondents. The contract itself is coming to an end by 30.06.2007.

Hence, the writ petition is disposed of, directing that the petitioner shall be entitled to claim the wages for the

maintenance contract and to pay the wages to the persons engaged by him. There shall be no order as to costs.
